# Resource List for Survivors

If you are in immediate danger, call 911 and Campus Safety at 937.382.0100

Confidential On-Campus Resources (confidentiality varies as far as privileged (i.e., legally recognized) and specific to campus (i.e., recognized by WC). Confidential resources do not report to Title IX.

## Campus Advocate

Support Services Office  
(Pyle Student Center, Room 2)  
Office hours vary

advocate@wilmington.edu  
937.481.2325 (x325)

Please schedule an appointment before going to the Support Services Office to ensure the space is ready for you. The services provided by the Campus Advocate include:

- Emotional support, information, and referrals
- Accompaniment throughout Title IX process or forensic exam
- Accompaniment to police station or help accessing legal advocacy
- Coordinate supportive measures (e.g., no-contact order, housing accommodations, class changes, etc.)

Confidentiality will be broken if the survivor discloses a plan to attempt suicide, a threat of violence to others, or abuse of a minor; at which point, only “need-to-know” information would be shared with the appropriate authorities to maintain a safe environment. The advocate can also be compelled by the law (i.e., subpoenaed).

## Campus Health Services

Health and Wellness Center  
(across from CSS turf area)  
Monday-Friday 8AM-5PM

Schedule appointment via [Setmore](#)

Please schedule an appointment or call before going to the Health and Wellness Center to ensure the space is ready for you. Medical services are provided to students free of charge at the Health and Wellness Center. The medical clinic is available to treat minor health complaints (i.e., cuts, scrapes, etc.). The Student Health Center can also coordinate STI and/or pregnancy testing on-campus through their community partner.

Note: Choking can have delayed affects for up to 72 hours after the incident occurs – this means there is a risk of someone’s throat swelling and closing even 3 days after an incident. Please see a doctor even if you feel ok.

Visit [www.wilmington.edu/current-students/health-center](http://www.wilmington.edu/current-students/health-center) for more info on the Health and Wellness Center. A link to Setmore is on the site as well.

## Campus Minister

Nancy McCormick

Quaker Heritage Center  
(Boyd Cultural Arts Center 135)  
Monday-Friday 8AM-5PM

nancy\_mccormick@wilmington.edu  
937.481.2239 (x239)

The Campus Minister provides resources and conversation to students with spiritual questions – questions ranging from the meaning of life to living in right relationship with God and others or discerning a vocation. The campus minister can help students find a church or small spiritual group that meets regularly on campus. The campus minister can provide pastoral counseling.

The campus minister has privileged confidentiality, meaning they have the privilege of keeping your information confidential on-campus and in the court of law. Confidentiality will be broken if the survivor discloses a plan to attempt suicide, a threat of violence to others, or abuse of a minor; at which point, only “need-to-know” information would be shared with the appropriate authorities to maintain a safe environment.

## Counseling Services

Health and Wellness Center  
(across from CSS turf area)  
Monday- Friday 8AM-5PM

Director of Counseling Services  
Kazi McDowell  
kazi\_mcdowell@wilmington.edu  
937.481.2272 (x272)

Schedule appointment via [Setmore](#)

Please schedule an appointment or call before going to the Health and Wellness Center to ensure the space is ready for you. Confidential counseling services are available, a state independently licensed professional clinical counselor (PC) will provide a diagnostic assessment, treatment plan, and subsequently therapy sessions to assist students with a wide variety of wellness and mental health concerns.

The campus counselors have privileged confidentiality, meaning they have the privilege of keeping your information confidential on-campus and in the court of law. Confidentiality will be broken if the survivor discloses a plan to attempt suicide, a threat of violence to others, or abuse of a minor; at which point, only “need-to-know” information would be shared with the appropriate authorities to maintain a safe environment.

Visit [www.wilmington.edu/current-students/health-center](http://www.wilmington.edu/current-students/health-center) for more info on the Health and Wellness Center. A link to Setmore is on the site as well.
