

Medical Clearance through PRIVIT

Every WC student is required to have a PRIVIT account where they can submit and upload required medical information. PRIVIT is a software platform that is used by Wilmington College to review students' health and immunization records.

Immunizations Wilmington College requires:

- **Tdap:** Within the last 10 years
- **Hepatitis B:** Series of 3 doses. Dose 1 must be complete prior to the start of class. Dose 2 must be complete prior to REGISTERING for your 2nd semester. Dose 3 must be complete prior to the START of your second semester.*
- **Polio:** Three or more doses of IPV or OPV. If the third dose was received prior to student's 4th birthday, a fourth dose is required. A fourth dose is required if a combination of IPV and OPV was received. Adults with no record immunization or inadequate titer are required to receive a 3-dose series. Dose 1 must be complete prior to the start of class. Dose 2 must be complete prior to registering for your 2nd semester. Dose 3 must be complete prior to registering for your 3rd semester.
- **MMR:** 2 doses are required.*
- **Meningococcal conjugate (ACWY):** One dose is required after the age of 16.

Students can apply for an accommodation based on Medical, Religious, or Personal reasons. The Accommodation form can be emailed to students upon request and can also be found on the WC@home site under "Health Services." Completed forms must be emailed to whealthcenter@wilmington.edu for review. Only APPROVED Accommodation forms will be accepted in PRIVIT.

* Or lab reports confirming immunity.
