ANNUAL REPORT
FISCAL YEAR ENDING JUNE 30, 2026

Wilmington College

LETTER FROM THE VICE PRESIDENT OF ADVANCEMENT

Every year brings new opportunities to reflect on who we are, why we matter, and what makes Wilmington College such a special place. As I look back on this past year, one word rises above all others: community.

At a small rural college like ours, relationships are at the heart of everything we do. Our students are known by name. Faculty and staff invest deeply in their success. Alumni remain connected to the people and place that helped shape their lives. And our friends, donors, and community partners continually demonstrate their belief in the transformative power of a Wilmington College education.

This annual report is, in many ways, a reflection of that shared commitment.

Because of the generosity of our supporters, students have received scholarships that made college possible, classrooms and programs have been strengthened, and new opportunities have opened for students to learn, lead, serve, and prepare for meaningful careers. Every gift, regardless of size, is an expression of confidence in our students and in the future of this institution.

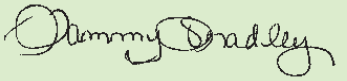

The impact of philanthropy is especially meaningful at a college like ours. When resources are thoughtfully invested here, the benefits reach far beyond campus. Our graduates leave here and strengthen their communities and carry with them the values and relationships they developed during their college years.

As you read through the pages of this report, I hope you will see more than numbers and accomplishments. I hope you will see a community, growing together, because of your generosity.

On behalf of the students and entire Wilmington College community, thank you for being part of our story. Your partnership makes a difference every day, and we are deeply grateful for your continued belief in our mission.

Together, we are not simply supporting a college. We are investing in students, strengthening our communities, and building a future rooted in opportunity.

With gratitude,

Tammy Shadley '90

Data from July 1, 2025 – June 30, 2026

2025 PHILANTHROPIST OF THE YEAR TIM BUREN

Tim Buren joined The Buren Insurance Group in 1983 after graduating from Wilmington College with a Bachelors in Business Administration. Tim helped grow the Buren Insurance Group from a small insurance group to an insurance agency with four (4) locations and a large variety of insurance options.

In 2008, Buren joined the Marble Society by naming Wilmington College as a beneficiary on a life insurance policy. In 2012, Tim was invited to join the President's Advisory Council (PAC), and in 2015, Tim accepted the offered to become a member on the Board of Trustees.

Tim Buren worked with the WC Business Department on the needs of the department. Together they determined that the renovation of the first floor of Bailey Hall would be beneficial.

The newly opened and dedicated Buren Center for Business on the first floor of Bailey Hall includes a ADA Ramp to the first floor, stock tickers, offices, and a conference room.

2025 PHILANTHROPIST OF THE YEAR JERRY SCHEVE

Jerry Scheve's record $23 million gift has been described as "transformational". Coach Scheve coached the Lady Quakers basketball team for 30 years and was an accounting professor for 44 years before retiring in 2021.

During his time on the sideline, Coach Scheve amassed 518 victories. His lady Quakers won four OAC regular seasons and were four-time OAC tournament champions while making it the NCAA tournament six times. In 2004, Scheve led the Lady Quakers to the only team national championship in school history. He was named OAC Coach of the Year in 2002 and 2003; D3 National Coach of the Year in 2004; and was inducted into the Ohio Basketball Hall of Fame in 2014 and the Wilmington College Hall of Fame in 2025.

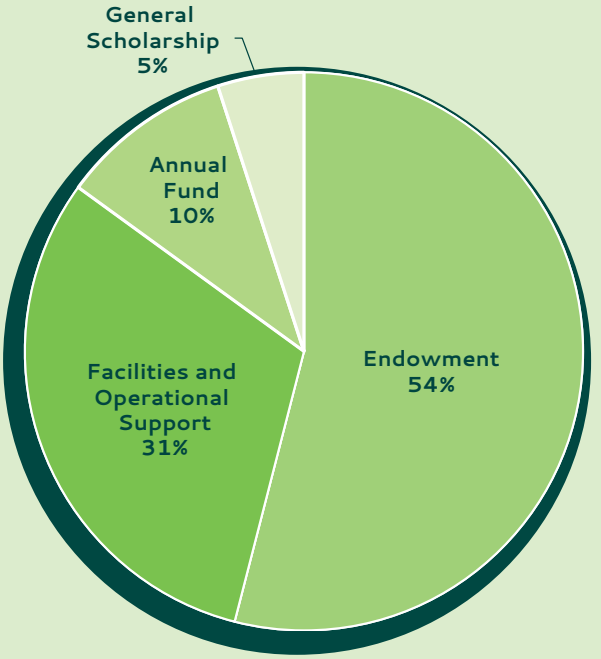

Scheve's Cornerstone Gift will affect every aspect of college life from student life, athletics, international affairs and peace/conflict resolution. The first of the designated plans have already started appearing on the campus of Wilmington

College with upgrades to Hermann Court and Scheve Athletic Center. Over the next few years, Wilmington College will see the generosity of Jerry Scheve as construction projects are completed and endowments are beginning to produce interest for the benefit of Wilmington College programs.

HOW ARE CONTRIBUTIONS USED?

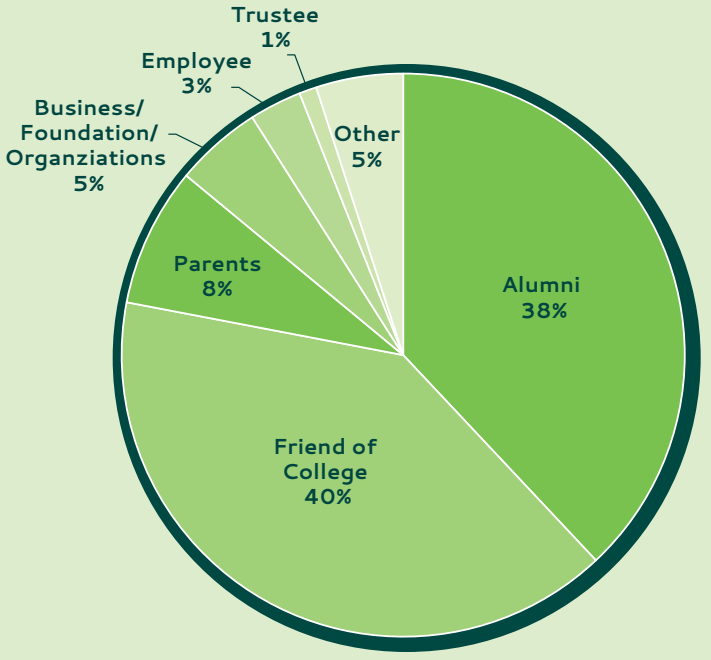

Gifts by Purpose

A strong endowment ensures WC's future. Our Board of Trustees has approved an annual 4.5% draw on the rolling market value of the total endowment. These spending dollars are crucial for balancing the College's budget.

SAM MARBLE SOCIETY

Sam Marble, President of Wilmington College (1947–1959), was a visionary leader. It was his foresight that allowed for the construction of Marble Hall, largely through student labor. The legacy that Sam Marble created has served as a solid foundation for College growth and as a model of involvement and service for generations of students, faculty, and administrators. We honor his foresight and vision with the naming of our most important philanthropic society, The Marble Society. This society recognizes those individuals who have made the choice to remember Wilmington College with a gift from their estate, retirement plan, or by creating an endowed fund at the College. Like Sam Marble's vision all those years ago, these individuals are creating the foundation for Wilmington College's future.
